Air Navigation Act. (1954)
Amendment (2019)

Section 15:
Duties of Civil Aviation Board

Regulation of the Civil Aviation Board No. 97
Re: Granting Licensing to Civil Aviation
Business: Commercial Air Transport and Aerial
Work

The Announcement of the Civil Aviation
Board
Re: Rules and Procedures on Calculation of
Airfares and Cargo Rates for Domestic Air
Transportation B.E. 2561 (2018) (Amending
to Regulation of CAB)

Section 41/135: Air service operators both Thai
and Foreign nationalities shall perform the
followings:

...

(2) Announce or display airfares or airfreight
tariff as well as conditions of carriage at all
offices, and operation stations.

...

Regulation of the Civil Aviation Board No. 97 Re: Granting Licensing to Civil Aviation Business: Commercial Air Transport and Aerial Work

Clause 34

A licensee shall have the following duties:

- (1) providing services under the route as permitted;
- (2) providing continuous services under the flight schedule as announced;
- (3) determining the airfares and freights under the rate which is in accordance with the criteria as prescribed in the law on aviation and other related laws;
- (4) announcing the rate of airfares and freights under (3) and other expenses relating to carriage including the conditions of carriage in public at the place of business operation of the licensee, ticket office and on its website.

The Announcement of the Civil Aviation Board Re: Rules and Procedures on Calculation of Airfares and Cargo Rates for Domestic Air Transportation B.E. 2561 (2018)

Article 6 (5) Airfares published in all sale channels and advertisements shall **include all costs relevant to air transport service.**

Article 10. Air Service Operators shall publish their **service type** for each domestic route **with approved ceiling rates of airfares** at their offices, ticket offices, on websites and all other sale channels.
