CHAPTER I
GENERAL PROVISIONS

Section 1. Title of Regulation. This Regulation shall be known and cited as the “*Air Passenger Bill of Rights*”.

Section 2. Definition. For the purpose of this Regulation:

- 2.1 “Air Carrier” refers to a Philippine-based carrier operating scheduled or non-scheduled domestic and/or international flights to or from or serving a point within the Philippines, or a foreign carrier operating scheduled or non-scheduled international flights from the Philippines. Air carriers are also generally referred to as airlines.
- 2.2 “Baggage” is any personal property carried by the passenger, either by check-in or hand-carry. “Off-loaded Baggage” refers to baggage which has been checked in but has either not been put in or been subsequently removed from the cargo hold of the carrier.
- 2.3 “Cancellation” is the act of calling off a flight. This shall include the following instances:
 - (a) Cancellation by the air carrier before the estimated time of departure (ETD) with or without its fault;

- (b) Cancellation by the air carrier after an unduly long delay;
 - (c) Cancellation by the passenger holding a regular fare/ticket, or a situation deemed cancelled as contemplated in Section 12.2;
- 2.4 "Check-in deadline" refers to the point in time before the published ETD on or before which a passenger must present himself/herself to the air carrier at the latter's check-in counter, which is usually not less than forty-five (45) minutes before such ETD.
- 2.5 "Check-in period" is the time when the air carrier's check-in counters are open for accepting and processing passengers checking in for their flights, which starts at least two (2) hours before the ETD in international airports and in other airports designated by the DOTC. In other airports, the check-in period shall start at least one (1) hour before the ETD.
- 2.6 "Confirmed Reserved Seat" means a seat on a specific date and on a specific flight and class of service of a carrier, which has been requested by a passenger, and which the carrier or its agent has verified, by appropriate notation on the ticket, as being reserved for the accommodation of the passenger.
- 2.7 "Convention" refers to the applicable international agreement, convention, or treaty on carriage of goods or persons by air signed and/or ratified by the Philippines.
- 2.8 "Delay" is the result of the deferment of a flight to a later time. "Terminal Delay" is a delay that occurs while passengers are still inside the terminal waiting for boarding, while "Tarmac Delay" is a delay that occurs while passengers are already on board the aircraft.
- 2.9 "Denied Check-in" takes place when a passenger, who has presented himself/herself for check-in at the appointed area and at the appointed time, is denied or not processed for boarding a particular flight. "Denied Boarding" takes place when a passenger, who holds a confirmed reserved seat, and who has presented himself/herself for carriage at the proper time and place and fully complied with the carrier's check-in and reconfirmation procedures, and who is acceptable for carriage under the carrier's tariff, was not allowed to board the aircraft.
- 2.10 "Fare" is payment in consideration for the carriage of a passenger. "Regular Fare" is any fare that is offered on a regular basis and does not qualify as promotional fare. "Promotional Fare", which is generally lower than a regular fare, is applied for before, and approved as such by, the CAB.
- 2.11 "Government requisition of space" refers to a formal request by the government or its agencies to an air carrier company for the use of an aircraft, or any part thereof, for regulatory, safety, security, and/or emergency purposes.

- 2.12 "No-show" is the failure of the passenger to appear at the check-in counter within the check-in deadline or to show up at the boarding gate at the time indicated on the boarding pass.
- 2.13 "Overbooking" is the practice by air carriers of selling confirmed reserved space beyond the actual seat capacity of the aircraft.
- 2.14 "Passenger" shall refer herein to a person actually travelling by air. A person who is named in the flight ticket shall be considered a passenger for the purpose of these rules.
- 2.15 "Person with disability" or "PWD" includes those who have long-term physical, mental, intellectual or sensory impairments, which, in interaction with various barriers, may hinder their full and effective participation in society on an equal basis with others.
- 2.16 "Sales Promotion" means techniques intended for broad consumer participation which contain promises of gain, such as prizes, in cash or in kind, as reward for the purchase of a product, security, service or winning in a contest, game, tournament, and other similar competitions which involve determination of winner/s and which utilize mass media and/or widespread media of information. It also means techniques purely intended to increase the sales, patronage and/or goodwill of a product.
- 2.17 "Senior citizen" refers to any resident citizen of the Philippines at least sixty (60) years old. Passengers may be asked to present identification documents, in line with Republic Act No. 9994, otherwise known as the Expanded Senior Citizens Act of 2010, and its Implementing Rules and Regulations, in order to avail of benefits and privileges reserved for senior citizens.

Section 3. Scope. This Regulation shall apply to all aspects of contracts of carriage for flights or portions of a flight into, from, and within the territory of the Philippines operated by Philippine air carriers, and flights or portions of a flight from the territory of the Philippines operated by foreign air carriers.

Provided, that the compensation rules shall not apply to carriers flying into the territory of the Philippines, if the laws of the country of origin provide similar or higher compensation. Otherwise, these rules shall apply in full.

CHAPTER II: RIGHT TO BE PROVIDED WITH ACCURATE INFORMATION BEFORE PURCHASE

Section 4. Right to Full, Fair, and Clear Disclosure of the Service Offered and All the Terms and Conditions of the Contract of Carriage. Every passenger shall, before purchasing any ticket for a contract of carriage by the air carrier or its agents, be entitled to the full, fair, and

clear disclosure of all the terms and conditions of the contract of carriage about to be purchased. The disclosure shall include, among others, documents required to be presented at check-in, provisions on check-in deadlines, refund and rebooking policies, and procedures and responsibility for delayed and/or cancelled flights. These terms and conditions may include liability limitations, claim-filing deadlines, and other crucial conditions.

- 4.1 An air carrier shall cause the disclosure under this Section to be printed on or attached to the passenger ticket and/or boarding pass, or the incorporation of such terms and conditions of carriage by reference. Incorporation by reference means that the ticket and/or boarding pass shall clearly state that the complete terms and conditions of carriage are available for perusal and/or review on the air carrier's website, or in some other document that may be sent to or delivered by post or electronic mail to the passenger upon his/her request.
- 4.2 The air carrier must also ensure that passengers receive an explanation of key terms identified on the ticket from any location where the carrier's tickets are sold, including travel agencies. In case of online bookings, the air carrier must establish a system wherein the purchaser is fully apprised of the required disclosures under this Section twice prior to the final submission of his/her online offer to purchase.
- 4.3 Aside from the printing and/or publication of the above disclosures, the same shall likewise be verbally explained to the passenger by the air carrier and/or its agent/s in English and Filipino, or in a language that is easily understood by the purchaser, placing emphasis on the limitations and/or restrictions attached to the ticket.
- 4.4 The key terms of a contract of carriage, which should include, among others, the rebooking, refunding, baggage allowance and check-in policies, must be provided to a passenger and shall substantially be stated in the following manner and, if done in print, must be in bold letters:

(English)

"NOTICE:

The ticket that you are purchasing is subject to the following conditions/restrictions:

1. _____
2. _____
3. _____

Your purchase of this ticket becomes a binding contract on your part to follow the terms and conditions of the ticket and of the flight. Depending on the fare rules applicable to your ticket, non-use of the same may result in forfeiture of the fare or may subject you to the payment of penalties and additional charges if you wish to change or cancel your booking.

For more choices and/or control in your flight plans, please consider other fare types.”

(Filipino)

“PAALALA:

Ang tiket na ito ay binibili ninyo nang may mga kondisyon/ restriksyon:

1. _____
2. _____
3. _____

Sa pagpili at pagbili ng tiket na ito, kayo ay sumasang-ayon sa mga kondisyon at restriksyon na nakalakip dito, bilang kontrata ninyo sa air carrier. Depende sa patakarang angkop sa inyong tiket, ang hindi paggamit nito ay maaaring magresulta sa pagwawalang bisa sa inyong tiket o sa paniningil ng karagdagang bayad kung nais ninyong baguhin o kanselahin ang inyong tiket.

Para sa mas maraming pagpipilian at malawak na control sa inyong flight, inaanyayahan kayong bumili ng iba pang klase ng tiket galing sa air carrier.”

- 4.5 Any violation of the afore-stated provisions shall be a ground for the denial of subsequent applications for approval of promotional fare, or for the suspension or recall of the approval made on the advertised fare/rate.

Section 5. *Right to Clear and Non-Misleading Advertisements of, and Important Reminders Regarding Fares.* Advertisements of fares shall be clear and not misleading.

- 5.1 Major restrictions, such as those on rebookability or refundability, which may be attached to certain fare types, shall be disclosed in full and in such a way that the passenger may fully understand the consequences of purchasing such tickets and the effect of non-use thereof.
- 5.2 Every air carrier causing the publication of fare advertisements in any medium, shall likewise disclose the following:
- (a) Conditions and restrictions attached to the fare type;
 - (b) Refund and rebooking policies, if any;
 - (c) Baggage allowance policies;
 - (d) Government taxes and fuel surcharges;
 - (e) Other mandatory fees and charges;
 - (f) Contact details of the carrier (i.e. phone number, website, e-mail, etc.); and
 - (g) Other information necessary to apprise the passenger of the conditions and the full/total price of the ticket purchased.

Provided, that, in case of promotional fares, the additional information shall be included:

- (h) Number of seats offered on a per sector basis;
- (i) The duration of the promo; and
- (j) The CAB Approval No. of Fares.

Provided, further, that, where there are differing conditions, such as fuel surcharge in relation to the points of destinations or origin, the advertisements of these carriers may provide only the range thereof and not the actual surcharge of each route.

- 5.3 The above-mentioned required disclosures shall occupy not less than one-third (1/3) of the advertising material. A copy of the same shall be printed on or attached to the ticket in English and Filipino.

In the case of broadcast media, it shall be enough that the air carrier and/or advertising agent incorporate the foregoing terms and conditions by reference, as provided for in Section 4.1.

Section 6. *Right Against Misleading and Fraudulent Sales Promotion Practices.* Consistent with the declared policy of the State to protect the interests of the consumers, which includes protection from misleading and fraudulent sales promotion practices, all sales promotion campaigns and activities of air carriers shall be carried out with honesty, transparency and fairness, and in accordance with the requirements of the Consumer Act of the Philippines, and its Implementing Rules and Regulations.

Air carriers shall provide to DTI a copy of its promotional materials for post audit not later than the publication, release, or launch date whichever is earlier.

It is understood that professional authorities for those engaged in advertising, sales and promotion may impose additional standards or measures to regulate their industry.

CHAPTER III

RIGHT TO RECEIVE THE FULL VALUE OF THE SERVICE PURCHASED

Section 7. *Right to Transportation and Baggage Conveyance.* Every passenger is entitled to transportation, baggage conveyance and ancillary services, in accordance with the terms and conditions of contract of carriage with the air carrier. Thus, any violation of the terms and conditions of the contract of carriage due to the fault or negligence of the air carrier shall entitle the passenger to compensation or alternative arrangements, as provided in this Air Passenger Bill of Rights, which are acceptable to the passenger.

Section 8. *Right to be Processed for Check-In.* In accordance with the usual air carrier procedures, a passenger holding a confirmed ticket, whether promotional or regular, with complete documentary requirements, and who has complied with the check-in procedures, shall

be processed accordingly at the check-in counter within the check-in deadline. The airline shall, therefore, and subject to infrastructure limitations, clearly designate the boundaries of its assigned check-in area/s or counter/s.

A passenger within the air carrier's cordoned or other designated check-in area as herein defined at least one (1) hour before the published ETD shall not be considered late or a no-show, and shall not be denied check-in. The carrier shall exert utmost diligence in ensuring that passengers within the cordoned or other designated check-in area and/or lined up at the check-in counters are checked in for their flights before the check-in deadline.

A passenger who is late in accordance with the preceding paragraph may be denied check-in and directed to a standby or rebooking counter, as the case may be, for proper processing.

Any dispute under this Section shall be resolved by the air carrier on-site. For this purpose, the air carrier must present to the passenger proof, including, but not limited to, closed-circuit television monitor recordings, processing or number slips issued at the entrance of the check-in area, and other applicable or available means, that the latter failed to appear within the prescribed time for the check-in procedure.

Section 9. *Right to Sufficient Processing Time.* Passengers shall be given enough time before the published ETD within which to go through the check-in and final security processes. For this purpose, air carriers operating in international airports and in other airports designated by the DOTC shall open their check-in counters in such airports at least two (2) hours before the ETD. In other airports, air carriers shall open their check-in counters at least one (1) hour before the ETD.

- 9.1 Air carriers operating in international airports and in other airports designated by the DOTC shall open a separate dedicated counter for a flight nearing check-in deadline to facilitate the checking in of passengers at least one (1) hour before the published ETD.
- 9.2 To ensure that PWDs and senior citizens shall have equal access to air transportation services, air carriers shall at all times and in all instances adhere to the mandate of Batas Pambansa Blg. 344, otherwise known as An Act to Enhance the Mobility of Disabled Persons by Requiring Certain Buildings, Institutions, Establishments and Public Utilities to Install Facilities and Other Devices, the provisions of the Expanded Senior Citizens Act of 2010, and other related laws. Accordingly, an air carrier shall designate at least one (1) check-in counter which will prioritize PWDs, senior citizens, and persons requiring special assistance or handling. If this is not practicable, the air carrier shall instead provide for priority handling and processing of such passengers. The air carrier shall likewise coordinate with the appropriate authorities for the use of proper airport equipment, entryways, and/or aerobridges, as the case may be, when the same are available, to facilitate transactions, movement, boarding, and/or disembarkation of PWDs, senior citizens, and/or persons requiring special equipment, at the airport.

Persons accompanying a PWD, a senior citizen, or a person requiring special assistance or handling should also be accommodated at the designated check-in counter mentioned in the preceding paragraph. It is the duty of an air carrier or its authorized agent to inform its passengers if additional costs will be incurred for the use of facilities designed for passengers needing special assistance in airports located in other countries.

It is the responsibility of a PWD to declare his/her need for special assistance or handling to the airline, upon booking his/her flight. If the PWD fails to do so, the airline may not be held liable for any services it was not able to provide the passenger and/or for any additional costs incurred for the use of special assistance facilities.

Section 10. *Right to Board Aircraft for the Purpose of Flight.* A passenger checked in for a particular flight has the right to board the aircraft for the purpose of flight, except when there is legal or other valid cause, such as, but not limited to, immigration issues, safety and security, health concerns, non-appearance at the boarding gate at the appointed boarding time, or government requisition of space as provided for in Section 10.2. Other than these causes, no passenger may be denied boarding without his/her consent.

10.1 While it is an accepted practice for an air carrier to overbook its flights, any expense, consequence, or inconvenience caused to affected passengers must be borne by the air carrier, as follows:

- (a) The air carrier shall determine the number of passengers in excess of the actual seat capacity of the aircraft.
- (b) The air carrier shall announce that the flight is overbooked, and that it is looking for volunteers willing to give up their seats in exchange for air carrier compensation.
- (c) The air carrier shall provide the interested passengers or volunteers a list of amenities and offers, which they can choose from, which list of amenities shall always include the option to be given priority booking in the next flight with available space or to be endorsed to another air carrier upon payment of any fare difference, and provided that space and other circumstances permit such accommodation, at the option of the passenger, and/or a cash incentive.
- (d) In case the number of volunteers is not enough to resolve the overbooking, the air carrier shall increase the compensation package by certain degrees or by adding more amenities/services until the required number of volunteers is met.

10.2 Government agencies and/or officials wanting to acquire aircraft space for official government purposes shall submit a written request justifying the requisition to the CAB, which shall then make the request to the air carrier concerned, detailing:

- (a) The number, identities, and affiliation of the persons requesting for space;

- (b) The date and time (if applicable) of the flight; and
- (c) The destination.

Should government requisition result in passengers having to forego their confirmed space, the air carrier shall look for volunteers in accordance with Section 10.1.

Provided, that the air carrier shall have the right to claim from the requesting government entity the full-fare value of the seats requisitioned by the latter.

- 10.3 The settling of compensation for passengers pursuant to this Section shall not be an excuse for the undue delay of the flight's ETD.

CHAPTER IV RIGHT TO COMPENSATION

Section 11. *Right to Compensation and Amenities in Case of Cancellation of Flight.* In case of cancellation of flights, the following shall be observed:

- 11.1 In case of flight cancellation attributable to the carrier, a passenger shall have the right to:
- (a) Be notified beforehand via public announcement, written/published notice and flight status update service (text);
 - (b) Be provided with the following, if he/she is already at the airport at the time of the announcement of the flight cancellation: sufficient refreshments or meals (e.g. snacks consisting of at least a bottle of water and a sandwich, or breakfast, lunch, or dinner, or a voucher for the same, as the case may be); hotel accommodation (conveniently accessible from the airport); transportation from the airport to the hotel, v.v.; free phone calls, text or e-mails, and first aid, if necessary; and
 - (c) Reimbursement of the value of the fare, including taxes and surcharges, of the sector cancelled, or both/all sectors, in case the passenger decides not to fly the ticket or all the routes/sectors; or
 - (d) Be endorsed to another air carrier without paying any fare difference, at the option of the passenger, and provided that space and other circumstances permit such re-accommodation; or
 - (e) Rebook the ticket, without additional charge, to the next flight with available space, or, within thirty (30) days, to a future trip within the period of validity of the ticket. However, for rebooking made in excess of the aforementioned thirty (30) days for a trip likewise within the validity of the ticket, fees and/or fare difference shall apply.

Provided, that in case a carrier cancels a flight at least twenty-four (24) hours before the ETD, it shall not be liable for the foregoing amenities, except, it shall be obliged to notify the passenger, and, in accordance with the preceding provisions, to rebook or reimburse the passenger, at the option of the latter.

- 11.2 In case the air carrier cancels the flight because of force majeure, safety and/or security reasons, as certified by the Civil Aviation Authority of the Philippines, a passenger shall have the right to be reimbursed for the full value of the fare.
- 11.3 The provisions of this Section shall be the minimum entitlement of a passenger in case of cancellation, and shall not prohibit the air carrier from granting more favourable conditions or recourses, as it may deem appropriate.

Section 12. *Right to Compensation and Amenities in Case of Flight Delay and Exceptions Thereto.*

- 12.1 In case of Terminal Delay of at least three (3) hours after the ETD, whether or not such is attributable to the carrier, a passenger shall have the right to:
 - (a) Be provided with refreshments or meals (sufficient snacks, breakfast, lunch, or dinner, as the case may be), free phone calls, text or e-mails, and first aid, if necessary; and
 - (b) Rebook or refund his/her ticket in accordance with the preceding Section or be endorsed to another carrier, in accordance with the preceding Section.
- 12.2 In case such Terminal Delay extends to at least six (6) hours after the ETD for causes attributable to the carrier, it shall be deemed cancelled for the purpose of making available to the passenger the rights and amenities required to be provided in case of actual cancellation, as provided for in Section 11.1; and in addition, an affected passenger shall be given the following:
 - (a) Additional compensation equivalent to at least the value of the sector delayed or deemed cancelled to be paid in the form of cash or voucher, at the discretion of the air carrier; and
 - (b) The right to board the flight if it takes place more than six (6) hours after the ETD and the affected passenger has not opted to rebook and/or refund. For this purpose, the air carrier is obliged to exert all efforts to contact the passenger for the flight.
- 12.3 A passenger shall likewise have the right to be provided with sufficient food and beverage, in cases of Tarmac Delay of at least two (2) hours after the ETD, reckoned from the closing of the aircraft doors, or when the aircraft is at the gate with the doors still open but passengers are not allowed to deplane.

- 12.4 The provisions of this Section shall be the minimum entitlement of a passenger in case of delay and shall not prohibit the air carrier from granting more favourable conditions or recourses, as it may deem appropriate.

Section 13. *Compensation under Section 10 as Liquidated Damages.* The compensation provided in Section 10, if accepted by the passenger, shall constitute liquidated damages for all damages incurred by the passenger as a result of the air carrier's failure to provide the passenger with a confirmed reserved seat.

Provided that, while a confirmed reservation is necessary to make a passenger eligible for compensation, a written confirmation issued by the air carrier or its authorized agent qualifies the passenger in this regard, even if the air carrier cannot find the reservation in the electronic records, as long as the passenger did not cancel the reservation or miss a reconfirmation deadline.

Section 14. *Right to Compensation for Delayed, Lost, and Damaged Baggage.* A passenger shall have the right to have his/her baggage carried on the same flight that such passenger takes, subject to considerations of safety, security, or any other legal and valid cause.

- 14.1 In case a checked-in baggage has been off-loaded for operational, safety, or security reasons, the air carrier shall inform the passenger at the soonest practicable time and in such manner that the passenger will readily know of the off-loading (i.e. that his/her baggage has been off-loaded and the reason therefor). If the passenger's baggage has been off-loaded, the air carrier should make the appropriate report and give the passenger a copy thereof, even if it had already announced that the baggage would be on the next flight.

The air carrier shall carry the off-loaded baggage in the next flight with available space, and deliver the same to the passenger either personally or at his/her residence. For every twenty-four (24) hours of delay in such delivery, the air carrier shall tender an amount of Two Thousand Pesos (Php2,000.00) to the passenger, as compensation for the inconvenience the latter experienced. A fraction of a day shall be considered as one day for purposes of calculating the compensation.

For the purposes of this section, the twenty four (24)-hour period shall commence one (1) hour from the arrival of the flight of the passenger carrying such baggage.

- 14.2 Should such baggage, whether carried on the same or a later flight, be lost or suffer any damage attributable to the air carrier, the passenger shall be compensated in the following manner:
- (a) For international flights, the relevant convention shall apply.
 - (b) For domestic flights, upon proof, a maximum amount equivalent to half of the amount in the relevant convention (for international flights) in its Peso equivalent.

- 14.3 For compensation purposes, a passenger's baggage is presumed to have been permanently and totally lost, if within a period of seven (7) days, counted from the time the passenger or consignee should have received the same, the baggage is not delivered to said passenger or consignee.

Section 15. *Right to Compensation In Case of Death or Bodily Injury of a Passenger.* For international flights, in case of death or bodily injury sustained by a passenger, the relevant Convention and inter-carrier agreement shall apply. However, for an international carriage performed under the 1966 Montreal Inter-Carrier Agreement, which includes a point in the United States of America as a point of origin, a point of destination or agreed stopping place, the limit of liability for each passenger for death, wounding or other bodily injury shall be the sum of Seventy-Five Thousand United States Dollars (US\$75,000.00), inclusive of legal fees and costs. *Provided*, in the case of a claim brought in a state where a provision is made for a separate award for legal fees and costs, the limit shall be the sum of Fifty-Eight Thousand United States Dollars (US\$58,000.00), exclusive of legal fees and costs.

For domestic flights, the compensation shall be based on the stipulated amount in the relevant convention which governs international flights, the same to be given in Peso denominations.

Section 16. *Right to Immediate Payment of Compensation.* An air carrier liable for any and all compensations provided by these rules shall make the same available to the affected passenger at the air carrier's counters at the airport on the date when the occasion entitling the passenger to compensation occurred, or at the main office or any branch of the air carrier at the discretion of the passenger. The air carrier shall tender a check for the amount specified, or cash, or the document necessary to claim the compensation or benefits mentioned above; *Provided*, that such document shall be convertible to cash within fifteen (15) days from the date when the occasion entitling the passenger to such compensation occurred.

CHAPTER V ADMINISTRATIVE MATTERS

Section 17. *Air Carrier and CAB Complaint and Assistance Desks.* Air carriers shall provide Customer Service Representatives who can address common problems, such as arranging for meals and hotel rooms for stranded passengers, settling denied boarding compensation, arranging luggage resolutions, and settling other routine claims or complaints, on the spot. In addition, the CAB may provide Complaints and Assistance Desks in all airports. These shall be manned by CAB or CAB-deputized personnel, who shall assist passengers whose rights to the service have not been fully satisfied by the air carrier. The said personnel shall assist in the filing and prosecution of the complaints of passengers whose rights have been violated and who wish to go after the concerned air carriers.

Section 18. *Refund of Other Fees.* Every air carrier must refund checked baggage fees and other optional service fees (i.e. insurance, donation to WWF, seat selector fee, etc.), if the passenger did not use his/her ticket, *provided*, that the said ticket is refundable and that the

passenger is not at fault. *Provided, further*, that refund of checked baggage fees will also apply, if the baggage was not delivered to the passenger within twenty-four (24) hours from the arrival of flight, on top of the compensation fee as mentioned in Section 14.1.

Section 19. *Written Reports.* Air carriers shall submit a monthly report to the CAB on the following:

- (a) The number of regular and promotional fare passengers who have been denied boarding, or whose flights were delayed or cancelled;
- (b) The number of regular and promotional fare passengers whose baggage was lost, damaged, or off-loaded; and
- (c) The number of regular and promotional fare passengers who died or sustained an injury during the course of the flight or performance of the contract of carriage, as well as the reasons and other circumstances of such occurrences.

Provided, that the air carriers shall maintain a database containing the names, addresses, and/or other particulars of such passengers, their flights, concerns or complaints, as well as records of the air carrier's personnel regarding the same, if any, and other pertinent information, available to the CAB upon request.

CHAPTER VI FINAL PROVISIONS

Section 20. *Periodic review.* This Order shall be reviewed periodically by an inter-agency body consisting of representatives from the DOTC, the DTI, the CAB, and airport operators, in consultation with the air carrier companies and/or other directly affected stakeholders. Such review may include the assessment, modification, removal, and/or update of provisions in accordance with issues arising from the implementation of this Order.

Section 21. *Separability Clause.* If any section(s) or any part of this Regulation is declared unconstitutional by a competent authority, the remaining sections or parts thereof shall not be affected thereby.

Section 22. *Repealing Clause.* All other orders, guidelines, economic regulations, and other issuances of the CAB, the DTI and the DOTC, which are inconsistent with these provisions, are hereby amended, repealed or modified accordingly. Otherwise, provisions not deemed inconsistent shall be of suppletory application.

Section 23. *Violations and Penalties.* All violations of this Joint Administrative Order shall be penalized in accordance with the pertinent provisions of the Civil Aeronautics Act of the Philippines, save for violations pertaining to Sections 5 and 6 which are governed by the relevant provisions of the Consumer Act of the Philippines, the implementing agency of which is DTI.
